

## Mueller Property to Be Used for New Borough Hall; Field House at Playground Planned Within Year

### National Recreation Association to Make Survey in Narberth

The Mueller property at Windsor and Forest Aves., purchased last week by Borough Council for \$20,000, will be used for a new Borough Administration Building, it was disclosed this week.

Just what the building will contain, however, will depend appreciably on the results of a survey which will be conducted here by the National Recreation Association of New York.

The survey will be made at the request of the Narberth Planning Commission to determine the Borough's recreational needs.

"To guide us in drawing up plans for the building," Bertine G. Simpson, Commission chairman, said yesterday, "we want to know what the public wants in the building besides the Borough offices... an auditorium, perhaps, maybe kitchen facilities and provision for indoor athletics."

Simpson added that plans for the administration building will not be drawn until the survey is completed. After that, cost estimates will be obtained which will determine further procedure.

Members of the Planning Commission, in addition to Simpson, are Noel Butler, Elmer Titus, Clarence Woolmington and Douglas Miner.

## C. A. Wright Wins First Prize in Pa. Week Contest

### Thinking Out Loud Article Judged Best in Weeklies

Charles A. Wright, whose column, "Thinking Out Loud," appears regularly in this newspaper, has been awarded the \$200 first prize for weekly paper editorials on Pennsylvania Week in a state-wide contest conducted by the State Department of Commerce.

The award was announced Tuesday by Orus J. Matthews, Secretary of Commerce.

The winning editorial, entitled "She's Got Everything," appeared in Wright's column in the issue of September 30, 1948.

Wright, who lives at 2743 Belmont Ave., Ardmore, is a graduate of the University of Pennsylvania and spent 17 years at Temple University as director of undergraduate publications and assistant professor of journalism. During the war he was editor of tank and automotive volumes for the Army Ordnance Department and later served as chief of the editorial division for the Philadelphia Ordnance District.

Other prize-winners in the contest's weekly division were Richard A. Swank, Duncannon Record, second prize; Walt Lafferty, Carnegie Signal-Item, third prize; Harold C. Roberts, Conshohocken Recorder, fourth prize; and E. Gwendolyn Jaynes, Ephrata Ensign, honorable mentions.

In the daily paper division, first prize went to C. W. Dressler, Johnstown Tribune; second to Frederick S. Fox, Norristown Times Herald; and third to Dale H. Granley, Bethlehem Globe-Times.

The awards were made for effectiveness in advancing public understanding and appreciation of the purposes of Pennsylvania Week. The judges were Roy C. McKenna, president of the Pennsylvania State Chamber of Commerce; Mrs. John Y. Huber, Jr., chairman of the Pennsylvania Week Women's Advisory Committee; and C. C. Carr, director of public relations for the Aluminum Company of America.

## Workman Falls From Scaffold in Wynnewood

Antonio Spadaro, 48, a Philadelphia stone mason, suffered six broken ribs Tuesday afternoon when he fell from a scaffold while working on a new house on Remington Rd., north of Lancaster Ave., Wynnewood.

## Birthday Ride Ends in Tragic Death of Narberth Widow, 83

Mrs. Mary Entress, 83-year-old widow, of 824 Montgomery Ave., Narberth, enjoyed automobile rides almost more than anything else in the world.

Monday was her birthday, and that afternoon her niece, Miss Edith Pollock, with whom she lived, suggested that they motor through the nearby countryside to see the autumn scenery.

A small birthday celebration had been planned for that evening. But the party never took place.

Mrs. Entress died in Bryn Mawr Hospital five hours after the automobile her niece was driving was struck by a truck on Sprout Rd. near Lawrence Rd., Marple Township.

Hospital authorities said her death was caused by shock brought about by a broken back received in the accident. Her other injuries were a broken nose and a deep laceration of the scalp.

Miss Pollock, who escaped injury, had been driving south on Sprout Rd. about 3 P. M. Marple Township patrolman George Soey said, when the car was struck in the rear by a truck driven by John Ferguson, of Philadelphia.

The impact, Soey said, forced Miss Pollock's car off the road and onto the lawn of Mrs. George Clapp, who, also of the Narberth address, against him.

## Location Depends on Straightening of Haverford Road

A new building which will contain locker room and public toilet facilities will be erected on the Narberth Community Playground within the next year.

The announcement was made by officials of the Borough Council and Borough Planning Commission, following a joint meeting held last Saturday. A special meeting of the Planning Commission has been called for this Friday night.

Before the building on the playground can be erected, however, the Commission must complete another project which has been previously discussed with Council, that of straightening a section of Haverford Rd. along the edge of the playground.

If that project is completed, the playground will be widened by several feet and the new building will be located accordingly. If the project is not approved, the building will be erected in another location on the playground.

According to officials, straightening the road would require the use of land belonging to the Pennsylvania Railroad and that land would have to be bought or rented by the Borough.

The officials added that the type of building to be erected will also depend on the outcome of the road straightening project. If the additional land is available, the Commission plans a combination locker room and grandstand, but if it is not, the locker room and grandstand will be constructed separately.

Tentative plans now call for the building to be erected in the vicinity of the present scoreboard. The temporary grandstand now erected on the south side of Haverford Rd. would be discarded if the new building and grandstand are erected.

## Narberth School Notes

The ending of the football season brought Narberth luck. They won their last game from Lansdowne, the score being 21 to nothing. Many thanks to our coach, Allen Weatherall.

Narberth has played five games and only lost one, which was lost to Conshohocken. We think Narberth had a successful season and we hope basketball will be the same.

The last hockey game ended in a tie. The game being the last of the season. The score was 2-2; Gray, 2.

The girls on these teams owe the coach, Miss Rebecca Augsberger, a lot of thanks. They owe thanks also to their captains: Red, Irma Rees, and Gray, Jenny Gordy, for their help during the season.

The basketball season will begin soon. We are wishing the teams, both girls and boys, lots of luck. The Sun Dial staff has been doing much planning for ways to raise more money for the publication. The plans as of now are for a dance.

Further plans were made for the play which will be given in assembly by the Library Club. It will soon be ready to be presented.

## Blue Jays to Oppose Legion Under Lights

Seeking their 18th consecutive victory, Narberth Blue Jays will return to the football field Sunday afternoon at Narberth Playground. The Jays then will play their first night game of the season on Thursday, Nov. 18, meeting West Manayunk American Legion Post 857. Opening kickoff on the Narberth field will be at 8:15.

Narberth's streak ended last Sunday by battling Overbrook to a 6-6 tie after overwhelming Bryn Mawr the previous week, 20-7. Bryn Mawr was the first to score on Narberth this season. Against Overbrook, John Cappelli came through with Narberth's only touchdown on an end around play. Overbrook's score resulted from a 67-yard run.

Narberth, managed by Vincent D'Angelo, ran up 10 straight victories last year, has tacked on seven thus far this season.

where it overturned, pinning both women inside. The truck careened into a tree.

Mrs. Clapp called Dr. William J. Wheeler, of Paxon Hollow Rd., and the Bryn Mawr Hospital. Dr. Wheeler administered to Mrs. Entress until the arrival of the hospital ambulance.

Ferguson said the Pollock car stopped suddenly in front of him and that it was impossible for him to swerve as a tank truck was passing at the time.

Miss Pollock, on the other hand, told Soey that she was travelling slowly toward Springfield when the accident occurred.

At a hearing before Justice of the Peace Ernest Dupille, of Broomall, that evening, Ferguson was held under \$1000 bail pending action of Montgomery County Coroner Winslow J. Rushong.

Ferguson said the Pollock car was being held at 3 P. M. this Thursday in the Stuard Funeral Home, Ardmore. Burial will be in West Laurel Hill Cemetery.

A native of Philadelphia, Mrs. Entress had been a Narberth resident for the past 15 years. Her husband, George, died in 1922. Besides Miss Pollock, she is survived by another niece, Miss Laura Pollock, of Philadelphia.

Miss Pollock's car off the road and onto the lawn of Mrs. George Clapp, who, also of the Narberth address, against him.

## Borough to Have Streamlined Street Lighting Within Two Months, Council Discloses Monday

### Exchange Teacher To Address PTA On Monday Night

#### Haverford Singer to Give Selections; Social Hour to Follow

The experiences of an American exchange teacher in England will be described to the members of the Narberth Parent-Teachers' Association at a meeting to be held November 15 in the public school.

The exchange teacher, Miss Lucille Noble, taught in England during 1946 and 1947 at Colston's Girls' School in Bristol. During her stay there, England suffered the worst winter weather in 100 years.

A graduate of Swarthmore College, Miss Noble took graduate work at the University of Pennsylvania, William and Mary College, and Syracuse, Boston and Vermont Universities. She now teaches Latin at Upper Darby Senior High School. She has also attended the American Academy in Rome.

Miss Noble was selected by the Office of Education in Washington to go with 73 other American teachers to England.

Music for the evening will be furnished by Alfred C. Lohmann, concert singer, of Haverford. Lohmann, a member of the American Opera Company, is the brother of Mrs. G. Odell Fletcher, membership chairman of the PTA. He will be accompanied by James Ervine, of Narberth.

A committee under the direction of Mrs. Richard T. Smith will be in charge of the social hour which will follow the meeting. The Rev. Harold D. Flood, president of the Association, will preside at the meeting.

## New Assistant Pastor At St. Margaret's Church

The Rev. Joseph D. Shallow, assistant pastor at St. Margaret's Catholic Church, Narberth, will leave Friday night for Wichita Falls, Texas, where he will take up duties as an Army chaplain. I served as a chaplain during the war.

Replacing Father Shallow at St. Margaret's is the Rev. Thomas J. Connelly, of Philadelphia, who was ordained in 1936 at St. Charles Borromeo Seminary, Overbrook. He comes to Narberth from the Church of the Holy Spirit at Sharon Hill.

## Narberth Bank's Christmas Club Biggest in History

### \$85,000 Fund Will Be Distributed Before Thanksgiving

The National Bank of Narberth will distribute the largest Christmas Club fund in its history this year, Cashier Carl Metzger, Jr., disclosed yesterday.

The fund, totaling over \$85,000, represents approximately 100,000 individual accounts, Metzger said.

Christmas Club checks will be mailed out two days before Thanksgiving, he added, so that depositors may have their savings for early shopping. The fund will close this Friday, and special clerical help will immediately start the task of making up and mailing the checks.

Most of the accounts, according to Metzger, are maintained by adults, though a few are children's.

Christmas Clubs are a special form of savings account. Each week, starting about the first of each year, depositors start making regular weekly deposits in their Christmas Club accounts. The total, without interest, is returned to them annually a few weeks before Christmas.

## Man, 45, Killed By Paoli Local

### Edward Daniel Albert, 45, Son of a Bryn Mawr Butcher, Was Killed Instantly Friday Morning When He Jumped or Fell in Front of a Philadelphia-Bound Paoli Local Train as It Was Midway Between the Bryn Mawr and Haverford Stations.

The victim, who has no known address, was identified by his father, Daniel J. Albert, of Garrett Hill. He was pronounced dead by Dr. James L. Shoemaker, Lower Merion Township police surgeon.

Frank A. Krause, of 881 Penn St., Bryn Mawr, engineer of the train, told police he noticed Albert standing beside the tracks a few seconds before the accident.

At a hearing before Justice of the Peace Franklin P. Kromer that night, Krause was released under his own recognizance pending a Montgomery County Coroner's inquest. A technical charge of involuntary manslaughter was lodged against him.

## Women's Club Party and Fashion Show to Benefit Welfare Work

One of the outstanding events of the club season planned by the Women's Community Club of Narberth is a benefit card party and fashion show sponsored by the project committee headed by Mrs. Robert M. Cameron, to be held Friday afternoon, November 19, in the auditorium of Wanamaker's Store, Philadelphia.

Over 400 club members and their friends are expected to attend the party which will benefit the many organizations to which the club lends its support. Included among these are the Community Chest, the Salvation Army, the Narberth Child Health Center and Narberth Girl Scout troops which the club sponsors.

Co-chairman with Mrs. Cameron is Mrs. George Lee. Publicity chairman of the project committee is Mrs. Lewis Crater and Mrs. Henry Dever, is treasurer of the group.

The following are aiding in various capacities in preparation for the party: ticket committee, Mrs. Henry Dever, chairman; Mrs. H. H. Hopkins, co-chairman, and Mrs. W. J. Donohue, Mrs. J. S. Erickson and Miss Grace Lawrence; telephone committee, Mrs. J. M. Bickford, chairman, and Mrs. George Albert, Mrs. George Barnes, Jr., Mrs. Helen Carmichael, Mrs. Lewis Crater, Mrs. William Helzer, Mrs. William Hutchinson, Mrs. P. C. Myers, Mrs. T. F. Rowlands, Mrs. E. A. Russell, Mrs. H. F. Stevens and Mrs. T. A. Wales.

Co-chairmen in charge of door prizes are Mrs. A. W. Ayres and Mrs. J. M. Cox, working with Mrs. Ralph Giles, Mrs. Merwin Matton, Mrs. Edward Griswold, Mrs. Charles E. Siegfried, Mrs. Charles Wilson and Mrs. Arthur Wise.

Table prizes are in charge of Mrs. A. C. Marshall and Mrs. Nathan McClure and chairman of final arrangements is Mrs. G. Odell Fletcher, assisted by Mrs. James Annett and Mrs. William Beamer.

At an executive board session Tuesday afternoon at the Community Building four were accepted as new members. They are: Mrs. David H. Stephens, Mrs. Harold A. Cross, Mrs. W. J. Johnson and Mrs. Albert G. Weidensaul. Mrs. Ellsworth Clark, President, presided at the meeting.

## Council Grants Boro Workmen Pay Increase

### Additional \$2470 To Be Paid During Coming Year

Borough workmen were granted their request for a wage increase at the Borough Council meeting Monday.

The increase will mean that the Borough will have to pay an additional \$2470 in wages next year.

In a petition presented to Council last month, five of the nine men on the force asked that they be given a salary increase, shorter work hours, and additional vacation time. With the exception of the shorter work week, all their requests were granted by Council.

The new salary rate will include an increase for all men on the force, foremen, drivers and laborers. The hourly rate for foreman is now \$1.25; drivers, \$1.10, and laborers, \$1. The force includes one foreman, two drivers and six laborers.

William S. Thompson, chairman of the highway committee of Council, stated Monday night that at a meeting held earlier this month the men indicated they did not actually want a shorter work week, but were talked into asking for it by a man who has since quit his job with the Borough.

Thompson said that the wage increase would be effective January 1. "The foreman of the force," Thompson said, "now that he has received an increase, will also have the added duty of inspecting and making minor repairs to our parking meters."

Council also granted the men on the force longer vacations, according to length of service with the Borough. Men who have been on the force five years will receive two weeks vacation, and those on the force for one year will receive one week's vacation.

Thompson pointed out that at the meeting the men stated that they were willing to clean up the community grounds the Sunday following the annual dog show held on the playground, but would not work late Saturday night taking the show down.

The men further stated, Thompson added, that they wanted the Fourth of July as a holiday and did not want to work during the Borough celebration.

## YMCA Names Staff Member

John B. Austin, Jr., of 891 Glenbrook Ave., Bryn Mawr, has been appointed Boys' Worker on the staff on the Main Line YMCA. A graduate of Lower Merion High School, he will be graduated from Temple University in February.

During the war Austin was a Lieutenant in the Navy Air Corps and served as a pilot and flight instructor. He has always been interested in youth organizations as a member and then as a leader. He was a Boy Scout and a member of the Bryn Mawr Presbyterian Church. He is also a deacon in the church and chairman of youth activities.

## Federation of Churches List Committee Heads

### Public Assistance Grants Reported on At Tuesday Meeting

Committee appointments for the coming year were announced by Rev. Robert G. Middleton, new president of the Main Line Federation of Churches, at Tuesday's meeting of the Executive Committee at Federation headquarters, Simpson Rd., Ardmore.

Dr. Howard Wayne Smith was reappointed chairman of the Finance Committee, and will also continue to serve as chairman of the Policy Committee.

Rev. Merlin F. Rood, assistant pastor of Bryn Mawr Presbyterian Church, was appointed chairman of the Membership Committee. Ralph Davenport, principal of the Ardmore Ave. School, will continue as chairman of the Public Relations Committee.

Rev. J. Paul Faust of the First Baptist Church of Ardmore, was appointed as chairman of the Case-work Committee succeeding Miss Emily N. Vaux, who resigned from membership on the Executive Committee following her recent marriage.

The need for more adequate public assistance grants was called to the attention of the Board of Directors by Robert M. Myers, Executive Secretary, who cited figures showing that the \$131 a month granted a family of four people in this area is considerably below the \$133 a month which the Department of Public Assistance admits is a minimum need in the light of present day prices. It is also very much less than the \$198 per month which the Bureau of Labor statistics of the United States Department of Labor reports would be needed for a family of four people in the Philadelphia area.

Next time the Narberth Fire Company is called out to answer an alarm, they will take with them a "brand-new" resuscitator. The equipment was purchased with funds received as dues from contributing members, and cost \$588.

What with the new Seaguard ladder truck and the rest of the equipment, we can imagine the firehouse is getting a little bit crowded.

Rainy weather usually annoys everyone to some extent, but the other day the Borough official who carries the canvas bag to put over parking meters, was very much annoyed at the wet weather. He had carefully placed the little brown bag over the meter in front of his car and had gone about his business. When he came back and tried to remove the bag, he found that, as wet canvas usually does, it had shrunk until it was stuck tightly on the meter. Much tugging and pulling ensued before he was able to remove it and go on to the next spot.

Seventeen parking meters on the north side of Windsor Ave., between Narberth and Essex Aves., were removed this week. Council decided that the meters were not necessary and that it would provide greater safety measures if they were removed.

Embarrassing moment... Robert Fellows Wood, a vestryman of All Saints' Church, Montgomery Ave. and Gypsy Lane, Wynnewood, is also a member of the Narberth Board of Zoning Adjustment.

When the church decided to purchase a property directly across the street, but in Narberth Borough, Wood told them that there would be no legal involvement with the borough. Later Wood was reminded that in 1946 the Borough Council had passed an amendment to the zoning code requiring a special exception from the board of adjustment for the establishment of any buildings for religious, educational or philanthropic purposes.

Situated on the site is a camping cabin which was constructed largely through the efforts of Henry L. Woolman, Sr., of Ardmore.

The ceremonies presided over by Mrs. Malvin B. Wallace, of Merion, vice president of Philadelphia Girl Scouts, opened with a trumpet call by Gay Young, of Troop 27, of Bryn Mawr. A Scout sing was led by Mrs. P. S. Berky, Narberth troop leader.

More than 200 Girl Scouts and Scout leaders from the Main Line area attended the formal opening Sunday afternoon of Camp Woolman, a two-acre campsite situated about two miles from Radnor, off Gypsy Rd.

The presentation of the land to the Girl Scouts of Philadelphia, of which the Main Line troops are a part, was made by Henry N. Woolman, Jr., and accepted on behalf of the troops by Mrs. Walter Hughson, chairman of the camping committee.

The Woman's Club of Bala-Cynwyd and the Women's Community Club of Narberth will hold their third annual joint meeting Wednesday afternoon at 2 P. M. at the Bala-Cynwyd Women's Club.

Collaborating on the program which will feature the presentation of Indian dances, songs and ceremonies by the Laubins, are Mrs. H. A. Backus, Bala-Cynwyd club program chairman and Mrs. E. M. Parnan, program chairman of the Narberth club.

Receiving will be Mrs. Homer J. Koonce, president of the Bala-Cynwyd club and Mrs. Ellsworth Clark, president of the Narberth club. They will be assisted by members of both clubs who will act as hostesses for the afternoon.

## Red Feather Leaders

Main Line leaders for the 1948 Red Feather Drive display the Red Feather symbol of service. Left to right, Edward B. Hodge, Black Rock Rd., Bryn Mawr, vice chairman of Zone "A," which encompasses the Main Line; Richard W. Barringer, 14 Radnor Way, chairman of Main Line III Division, and Townsend Munson, 210 Merion Rd., chairman of Zone "A."

## Church Group Plans Auction Sale Tomorrow

An auction sale with such articles as a gas range and a vacuum cleaner with all attachments going under the hammer has been planned for tomorrow evening by the Young Adult Class of the Narberth Methodist Church.

To be held at the church, Essex and Price Aves., the sale will get under way at 7 P. M. Proceeds of the sale will go towards the repair of the parsonage.

## Armistice Day Banquet Planned by Reid Post

The annual Armistice Day banquet of the Leon Spencer Reid Post No. 547 of the American Legion will be held this evening at the post home, Simpson Rd. and County Line Rd., Ardmore.

The Post Auxiliary will serve the dinner. A committee headed by Mrs. George Lonesome, Jr., is in charge of plans for the event.

## Girl Scout Camp Formally Opened

More than 200 Girl Scouts and Scout leaders from the Main Line area attended the formal opening Sunday afternoon of Camp Woolman, a two-acre campsite situated about two miles from Radnor, off Gypsy Rd.

The presentation of the land to the Girl Scouts of Philadelphia, of which the Main Line troops are a part, was made by Henry N. Woolman, Jr., and accepted on behalf of the troops by Mrs. Walter Hughson, chairman of the camping committee.

Situated on the site is a camping cabin which was constructed largely through the efforts of Henry L. Woolman, Sr., of Ardmore.

## Project Will Cost \$8911 Per Year; Plan To Add 283 Additional Lights Throughout Borough; Every Street Affected

Narberth's streamlined street lighting program, designed to give better lighting throughout the Borough, will be completed sometime within the next two months, it was disclosed this week.

The announcement was made Monday night at Borough Council meeting by Robert M. Cameron, who has been working on the program with Philadelphia Electric Company officials.

The project, delayed for more than two years by the lack of necessary equipment, is expected to cost the Borough an estimated \$8911 per year. The present cost of lighting the streets is approximately \$4200.

The plan calls for additional street lights on streets which now already have lighting, as well as new lights on streets which are not now lighted. Many of the present street lights will be increased in lumen. Every street in the Borough will be affected by the program.

Roland Hoot, street lighting engineer of the Philadelphia Electric Company, stated this week that the program had been delayed because the company wanted to develop a new type fixture for directing the light.

"The new fixture," Hoot said, "has now been developed. It is under construction, and will be used in the Borough street lighting program."

Plans for the work were submitted to Borough officials in 1946, but were returned by Council because the cost would have been out of range for the Borough. A second plan was then submitted by the Electric Company and approved by Narberth with a few minor changes.

Following the approval of the plan, test lights were installed at several points throughout the Borough. The latest test light is now installed at the intersection of Shirley Rd. and Haverford Ave. This latest light has proven most satisfactory and will be the type generally installed here.

A total of 283 new lights will be installed, increasing the light output 150 percent.

Among the streets which will have additional lights and the number to be installed are:

Wynnewood Ave., 10; Haverford Ave., 10; south side of Wynnewood Ave., five; Narberth Ave., eight; Conway Ave., 10; Dudley Ave., nine; Essex Ave., five; Hampden, five; Iona, four; Windsor Ave., seven; Price Ave., six; Sabine Ave., two; and Wynnedale Ave., four.

Of these streets, Wynnedale Ave. is the only one which has no street lighting at the present time. The lighting on Haverford Ave., according to Hoot, will be done last because of the underground work which is necessary.

Cameron stated that the program was started by the water, light and health committee of Council several years ago after complaints had been received from residents about inadequate lighting throughout the Borough.

The majority of complaints, he said, concerned Narberth, Wynnewood, Rockland and Woodside Aves., but when the Electric Company was approached about the matter, they suggested that a plan be worked up for the entire Borough so that the whole job would be done at one time instead of piecemeal.

"It is one of the best possible safeguards for public safety and police protection that the Borough can give its residents," he added.

## Miss Margaret Comfort Bride of M. H. Smith

Mr. and Mrs. Forrest Duane Comfort, of 108 Chestnut Ave., Narberth, announce the marriage of their daughter, Miss Margaret Jean Comfort, to Mr. Malcolm Holmes Smith, son of Mr. and Mrs. H. Clayton Smith, of Forest Hills, L. I., which took place Friday, October 29, in Narberth.

Mr. and Mrs. Smith will be at home after November 15 in Forest Hills, L. I.

Mr. Smith was graduated from Swarthmore in February and the bride was a senior there prior to her marriage.

## Local Clubs Plan Joint Meeting

The Woman's Club of Bala-Cynwyd and the Women's Community Club of Narberth will hold their third annual joint meeting Wednesday afternoon at 2 P. M. at the Bala-Cynwyd Women's Club.

Collaborating on the program which will feature the presentation of Indian dances, songs and ceremonies by the Laubins, are Mrs. H. A. Backus, Bala-Cynwyd club program chairman and Mrs. E. M. Parnan, program chairman of the Narberth club.

Receiving will be Mrs. Homer J. Koonce, president of the Bala-Cynwyd club and Mrs. Ellsworth Clark, president of the Narberth club. They will be assisted by members of both clubs who will act as hostesses for the afternoon.

### Dr. A. M. Frew to Be DAR Speaker Monday

Dr. Allan MacLachlan Frew, pastor of the Ardmore Presbyterian Church, will address the November meeting Monday afternoon of the National Society of the Daughters of the American Revolution on "My Experiences Abroad."

The meeting is scheduled for 2 P. M., at the home of Mrs. Graham S. Mason, of Valley Rd., Paoli. Another feature of the afternoon's program will be a soap shower for the benefit of the two D. A. R. supported schools, the Kate Duncan Smith School in Alabama and the Tamassee School in Tennessee.

### Thrift Shop Auction to Benefit B. M. Hospital

The Bryn Mawr Thrift Shop auction for the benefit of Bryn Mawr Hospital will be held Friday, November 12, at the Morris Clothier Estate in Villanova. The auction will open at 2 P. M.

The marriage of Miss June Leins, daughter of Mr. and Mrs. Frank F. Leins, Jr., of Meeting House Lane, Narberth, to Staff Sergeant F. Delafeld Benthall, son of Mr. and Mrs. Eugene D. Benthall, of Salinas, California, will take place Saturday afternoon, December 4, at 4 o'clock, in a ceremony in the Holy Trinity Lutheran Church, Narberth.

Miss June Schrepfer, of Narberth, will be the maid of honor and the bridesmaids will be Miss Helen Hoskins and Miss Joyce Albrecht, cousin of the bride, both of Narberth, and Miss Carole Parlain, of Cynwyd.

Kenneth J. Leins, brother of the bride, will act as best man and the ushers will be James Duncan, of Wayne; Richard Yobros, of Merion, and John Hoffman, of Narberth.

A reception at the Merion Tribute House, Merion, will follow the ceremony.

The bride-elect is a graduate of Lower Merion High School. Mr. Benthall is an alumnus of Cairo High School, Illinois.

Miss Leins was feted at a bridal shower last Wednesday given for her by her maid of honor, Miss June Schrepfer.

The guests included, in addition to the three bridesmaids, Miss Betty Rogers, Miss Helen Williams, Miss Wynona Fanning, Miss Kathryn Jost, Miss Blanche Hicks, Miss Leona Gessler, Miss Charlotte Elby and Miss Gene Sibley.

### Idajeon Bostwick G. M. Floyd Wed Saturday

The Bala-Cynwyd Methodist Church was the scene Saturday afternoon of a pretty November wedding when Miss Idajeon Bostwick, daughter of Mr. and Mrs. Lloyd M. Bostwick, of 314 Cynwyd Rd., Cynwyd, became the bride of Henry N. Floyd, son of Mr. George M. Floyd, of 112 Dudley Ave., Narberth. The Rev. Franklin Duncombe officiated.

The bride, given in marriage by her father, wore a gown of white satin featuring a sweetheart neckline edged in Chantilly lace with long sleeves tapered to her wrists, also trimmed with lace and a graceful train edged with the lace. Her fingertip length veil was arranged from a coronet of seed pearls and she carried white roses and stephanotis.

Miss Margaret W. Andrews, of Pittsburgh, as the maid of honor and only attendant, was gowned in blue mesh over blue satin, the dress made with an Elton jacket effect of mesh and a full skirt. A garland of yellow roses matched her bouquet.

A reception at the home of the bridegroom's father followed the ceremony. Upon their return from a motor trip through the New England states Mr. and Mrs. Floyd will reside in Narberth.

### Foreign Policy Is Junior Club Meeting Topic

State Department Head Is Program Speaker

"To understand the Russians you must forget what they say and look at what they do," Mrs. John C. Gill, Chairman of the International Relations Department of the Pennsylvania Federation of Women's Clubs, told members of the Narberth Junior Women's Club at their reciprocity meeting Thursday evening.

In speaking of the Berlin situation, in her talk on "Our Foreign Policy," Mrs. Gill called it "simply an incident in the situation. The control of Germany is the crux of the matter," she said.

Russian tactics thrive on chaos and destruction, she continued, and the Germans are the ones that are gaining by a divided allied command in the country.

Mrs. Gill, who lives in Germantown, was introduced by Miss Miriam Pulch, club chairman of the International Relations.

In summing up her talk on the foreign policy Mrs. Gill listed four planks necessary to maintain for a consistent working policy. They are: military preparedness, support of the European Recovery Plan, adherence to the United Nations and the formation of a strong military alliance with western Europe.

Vocal selections were provided by Mrs. Kathryn B. Westman, of Narberth, lyric soprano, who was accompanied at the piano by her mother, Mrs. Mildred Bailey.

An exhibit of oil paintings by Mrs. F. M. Robb, Jr., is currently being shown in the club wing of the Community Building where the meeting was held.

Refreshments were served at the close of the meeting.

## Narberth, Lower Merion Win M.L.L. Basketball Openers

Narberth and the Lower Merion Veterans served notice on the rest of the Main Line League that they would be in contention this year by walloping Yeadon and defending champion Coatesville respectively as the league opened its fourteenth season Monday night.

The Vets, operating under new management, spurred to a 30-22 halftime lead and then proceeded to belt the home team, 58-43. Dick Whiting paced the winners with 13 points while Harry DeSota, who scored 42 points for Narberth last year, and Don Evans tallied ten each.

Mal Simpson, tiny sharpshooter who paced Coatesville to the title last year, scored 17 points for the losers.

Down in Bala-Cynwyd, Narberth unveiled a ragged but promising aggregation that started slowly and then rolled to a 68-42 triumph over Yeadon, thus spoiling the Eagles debut in the league. All eleven Boroughites broke into the scoring column with tall George Hauptfuehrer leading the pack with 14 points. Lou Gehring scored 17 points in a losing cause to lead both teams in scoring.

After a nip and tuck first period, the Blue and Gold rolled to a 31-22 halftime lead and were never headed thereafter.

This Monday finds all eight teams in action with Norristown, runners-up last year, playing Narberth at Bala-Cynwyd Junior High in the feature struggle. Norristown has been strengthened by the return of Joe Gillingier after a year at Coatesville, plus the addition of Doc Guano and Milt Keyser from last year's state champion Norristown High five.

Lower Merion travels to Jenkintown to help the All-Stars raise the curtain on their 1948-49 season. The Vets, managed by Harry Littlewood, Bill Green and Wally Littlewood, are completely reorganized and feature an all Lower-Merion line-up including Dick Whiting, Don Evans, Bill Koehler, Gilp Gibbons, Desota and Middleton.

Yeadon plays Elkins Park at Cheltenham High School and Wayne featuring Sid Colin and Stu Adams, journeys to Coatesville to play the Coatesville A. A. five, in other Monday night games.

Wednesday night finds the first renewal of the annual neighborhood "grudge game" between Lower Merion and Narberth at Lower Merion High. Adding fuel to the fires is the presence of three former Penn Charter stars—George Hauptfuehrer, Les Blankin and Charles McFarland—in the Narberth line-up. These three played against

Evans and Whiting, of the Vets, when Charter upset Lower Merion High after the latter had capped the state championship in 1943. The biggest crowd of the year to date is expected to witness this game on Wednesday.

Coatesville and Norristown will take up where they left off in the play-offs last year when the Orioles entertain the Coates at Stewart Armory on Wednesday night. Jenkintown, featuring many of the same stars as last year, visits Yeadon High School to meet Lou Ulrich's Eagles in the third game on the midweek schedule.

Because Jenkintown was late in getting organized, the Wayne-Jenkintown and Norristown-Jenkintown games, scheduled for this week, have been postponed and will be played later.

Although short in size, Yeadon's Eagles have a group of one-handed shooters who may make trouble for some of the teams in the league. Lou Gehring was particularly effective against Narberth.

### MAIN LINE LEAGUE NOTES

George Hauptfuehrer, big Narberth center, captained the Harvard quintet last year and was also selected to play on the All-East team that defeated the All-Ivy's Eagles in Madison Square Garden last spring.

The Lower Merion Veterans released Chuck Vigors so that the ex-Penn captain could sign with Wayne. The addition of Vigors and Stu Adams, former Radnor High School All-State center, gives the Italian-Americans some much needed height.

The four new owners making debuts in the league this year are George Powell at Narberth; Harry Middleton, Wally Littlewood and Bill Green at Lower Merion; Lou Ulrich at Yeadon; Joe Baxter at Norristown and J. Wilson Roper at Coatesville.

## 4 Teams Clinch Playoff Berths In M. L. League

### Main Line Football League

Team	W	L	T	Pts.
Eagles	4	0	1	9
Radnor	4	1	0	8
Haverford	4	2	0	8
Ivy	3	1	1	7
Gladwyne	1	4	0	2
Bryn Mawr	1	4	0	2
Marple-Newtown	0	5	0	0

### Playoff places in the Main Line

Football League were clinched by Eagles C. C. Radnor A. A. Haverford and Overbrook Ivy on Sunday, although the league season doesn't conclude until next Monday night.

Eagles scored their fourth triumph against one tie by beating a surprisingly stubborn Gladwyne team, 6-0, on a touchdown pass.

Radnor nosed out Bryn Mawr, 20-13, and Haverford sent Ivy to its first defeat, 6-0.

In games which will decide the final order of finish, and thus have a bearing on the championship playoffs Nov. 21 and 28, Marple-Newtown will play at Overbrook Ivy and Gladwyne invades Bryn Mawr Sunday, Monday night, Radnor will play Gladwyne at Berwyn under the lights.

Coach Bill Stinson's Haverford team marched 60 yards for the game's only score against Ivy. Featuring the advance was Bud Arnold's 20-yard pass to Norm Wilde. Neil Dodge played over from the two for the score as Overbrook players vigorously protested that he had failed to tally.

Al Dominick passed 20 yards to Joe Carroll for Radnor's first touchdown against Bryn Mawr, and Sam Scarpace added the point. Frank Moore's 44-yard run followed, and the Royals triumphed, pacing the 100 finishers in 12:56.2 for the 2 1/2 mile jaunt. First L. M. entrant to finish was Bill O'Connor who was fourth, while Jim McPeeters, who was sixth, led the Fords.

In the junior varsity race, Upper Darby again led nine team, while Lower Merion was third and Haverford eighth.

### L. Merion Nears Group 'A' Title; Chester Next Foe

Lower Merion High's footballers, who captured Big Six honors last year, can clinch the new Group "A" championship by beating Chester High Saturday afternoon at Chester.

Thus far, the Ardmore Aces have scored two "A" victories—over Haverford and Abington—against two triumphs and a loss for Abington. Chester has one league victory and one defeat, while Haverford failed to win any of its three "A" encounters.

There also is a possibility that a new Group "A" trophy will be placed in competition this year.

Lower Merion, in racking up its sixth victory in eight starts, was forced to come from behind to upset Norristown last Saturday 28-6. Slowed by frequent fumbles in the first half, Coach Dick Matti's charges unleashed a belated assault to tally one touchdown in the third period and three in the fourth.

Norristown scored in the opening period when Carlo Troilo sprinted 12 yards to cap a 44-yard advance. But L. M., after missing a scoring chance in the second period, broke through the Eagles' defenses in the third and marched 80 yards, with Bill Havrall hammering over from the 12.

Joe Callahan chalked up a fourth period touchdown, running 13 yards on a quarterback sneak, and later Bill Ryder ended a Norristown threat by intercepting an Eagle aerial and racing 87 yards to a touchdown. Charlie Wilson duplicated that soon after running 25 yards with another Norristown pass.

### Survey Shows Aluminum Best Type of Garage Door

Thousands of aluminum overhead garage doors installed during recent years have conclusively proven aluminum to be the ideal material for outside doors, a recent survey showed. The modern garage door should be easy to operate, fire-proof, vermin proof and built to last the lifetime of the garage.

Immediately after the war, some aluminum garage doors were manufactured and placed on the market fabricated from very light gauge aluminum sheets but due to the vulnerability of these thin sheets the better aluminum doors have adopted much heavier gauge covers.

This combination of materials and design results in a practical heavy-duty door that will withstand hard usage without danger of scarring or distortion, and still permit easy feather-touch operation, so essential to quick opening and closing in rainy and winter weather.

No painting or weather treatment of any kind is required, however, where color is desired, they can be painted with ordinary house paint to blend with trim or landscaping.

### AWARDED \$30,605

James W. Keeley, Jr., of 15 Holbrook Rd., Chatham Village, was awarded \$30,605 last week in an Orphans' Court accounting on the estate of his great-aunt, Katherine A. McCloskey, who died September 9, 1944. The fund was left in trust for him until his 25th birthday.

## Haverford High Gridders Face West Chester Here Saturday

Again forced to face an unbeaten opponent, Haverford High's football team will play host to West Chester High this Saturday at Brookline.

Haverford will be seeking its second triumph of the season against seven losses. West Chester, meanwhile, has registered six victories while battling Coatesville to a 6-6 stalemate.

Last year, Haverford hung up its only victory at the expense of a West Chester team which had previously lost but once. Ford followers are hoping that history repeats, for a carbon copy of that 12-0 win would go far toward salvaging a dismal season.

Coach Bill Stinson's charges were unable to advance past midfield while losing to Lansdowne last Saturday, 19-0. Lansdowne's Lords were heavily favored, having lost only to Springfield this season, but the Fords figured to make more of an offensive showing.

Slowing the offense, however, was the loss of quarterback Dave Dilks, who had been injured against Norristown the week previous. Dilks is expected to return to action against West Chester—but this week, halfback Bill Corbett will be sidelined. Corbett suffered the recurrence of a shoulder injury in the Lansdowne game.

Lansdowne blanked the first period, rolled to two touchdowns in the second and another in the third. Wilmer Grubb, on a 20-yard run, George Gallagher, with a pass from Van Zimmerman, and Gallagher again on a 37-yard sprint accounted for the victors' touchdowns.

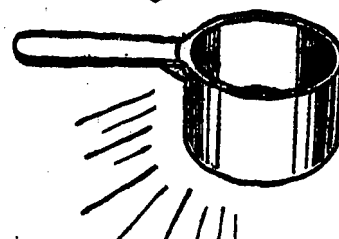

### Episcopal Gains Interac Loop Tie

Episcopal Academy clinched at least a tie for the Interac Academic League football championship it won last year by defeating Haverford School 12-6, on a soggy field, Friday.

The Churchmen can capture the Interac crown this Friday when they play Penn

## THINKING OUT LOUD

Copyright 1946 by CHARLES A. WRIGHT  
Watch Out! It's Habit Forming!

Our remarks about our happy-go-lucky stamp collection have brought us a windfall. About a week ago our mail contained a colorful "first day cover" on the new Juliette Low stamp issue, which means that the envelope bore not only the stamp itself and a "cachet" honoring Miss Low, but also a postmark reading "First Day of Issue." We hurriedly opened the envelope to see who had written to us from Savannah on October 29, where and when the stamp was first put on sale, and found a card reading "Compliments of the Oakmont School Stamp Club; William J. Laramy, sponsor."

We were delighted with that, but almost before we had a chance to thank the boys and girls another first day cover arrived; this time with a stamp and cachet celebrating the 50th anniversary of Teddy Roosevelt's Rough Riders, mailed at Prescott, Ariz., October 27, and then a few days later two more covers arrived in one mail; the Will Rogers issue, mailed in Claremore, Okla., November 4 and the Fort Bliss Centennial issue, mailed in El Paso, Texas, November 5.

We might have thought Mr. Laramy was very busy dashing from place to place to buy stamps on the first day of issue and to lick them and put them on envelopes, except that we know it isn't done that way. We gather that the special envelopes are bought in advance and addressed and then mailed off to someone in the city of issue, who buys and licks the stamps.

The Postoffice Department is very nice about first day covers. Not only do they use a special postmark, but they apply it so that it marks only a small portion of the stamp. The Postoffice has developed an amiable attitude toward stamp collectors, who each year buy thousands of dollars worth of stamps that are never used for postage.

We are glad to have the first day covers and to acquire one of each of the new stamps as it comes out, but we still refuse to become serious about our stamp-collection. Some of our friends are at the serious stage, and it's even worse than becoming serious about bridge.

The serious stamp collector isn't content to acquire one or two of each new stamp and let it go at that; he engages in a constant and sometimes fruitless search for a "find." He studies the number of perforations, the quality of paper, the color of ink, and the watermark, hoping to find something different from the general run of the issue. He haunts his local postoffice to buy blocks of four; but these can't be just any old four. He is fussy about getting the four showing the plate number, or the four from the center of a sheet, showing the printer's guide mark.

These petty differences add to the "value" of stamps, which doesn't mean that they are worth any more as postage or to mail in to pay the water bill, but only that they are in greater demand by other stamp collectors, who always want what they don't have. This constant worship of "values" makes serious stamp collecting a race in which the fattest pocketbook wins and has

caused many a man to give up cigarettes and liquor for what his wife considers an even greater vice. A man who will yelp about paying a dollar for a haircut will toss in a week's pay cheerfully to get some rare block of four stamps with a center imprint. And when he learns the imprint has been faked with a pen and nink, he will complain about racketeers corrupting an honest hobby, and then try to sell the fake to someone else.

Many a wife has been forced to give up her annual mink coat because her husband is spending all his money on stamps. As soon as a new issue comes out, he hurries to the postoffice to buy sheets of 100. That's bad enough with sheets of 3 cent stamps, of which there have been 24 issues this year, but when he decides to invest in sheets of stamps priced at 5 cents to 50 cents per sheet, the family budget takes a real licking.

Serious stamp collectors always use the word "invest" when their wives are around. They don't buy the sheets of 100 stamps just for fun, they point out, but in hopes the values will rise. Then in a few years, they say, they'll clean up 100 percent on their investments. What's more, it's an investment on which they can't lose, because if the values don't rise, they can use the stamps to send insulting letters to their creditors.

So far it has worked that way, but wife still doesn't get her mink coat. As long as the values keep rising, hubby won't sell. "We have a fortune here," he keeps telling her, so she catches a mink and uses it to patch up her old coat.

By refusing to take our stamp collecting seriously, we have saved our wife and family from that sad fate. It will never be said that our wife's mink money is "invested" in stamps. It will never be said it's invested in mink, either.
